

Foundry Machinery Specialists

Foundry Machinery and Spares (FMS) are one of the world's leading foundry machinery specialists based in the UK, manufacturing a wide range of foundry equipment from sand mixers to automated mould handling systems all designed to the customer's requirements.

Foundry Machinery & Spares Limited has had the pleasure to supply to the demands of its customers in the industry ranging from small electrical/mechanical breakdowns to several million pound turnkey projects.

We have our own design department equipped with the latest computer aided technology.

We have experienced service engineers that oversee large foundry installations either in the UK or overseas.

Visit our web site for our range of products and services or call us we are always happy to help and discuss your requirements.

We have worldwide agents promoting our equipment, below is a brief list of the countries we have supplied to, either direct or through our agents.

Saudi Arabia, Sweden, Spain, Belgium, France, Ireland, Poland, Cuba, Iceland, Tunisia, Norway, Netherlands, Germany, Denmark, Turkey, Israel, Finland, America, Australia, Pakistan, Portugal, Russia, Ukraine, Czech Republic.

Foundry Machinery has the capability to supply the exclusive range of spares and equipment that were formerly offered by Award Manufacturing Ltd (AML LTD) and Integrated Sand Systems Ltd (ISS LTD) which then went on to become Award Integrated Sand Systems Ltd (AISS LTD).

Unit H, Fryers Close, Walsall, West Midlands, WS3 2XQ. UK
